## **REPORT AND RECOMMENDATION TO DENY PETITION FOR A WRIT OF HABEAS CORPUS**

Petitioner has filed with this Court a petition for a writ of habeas corpus challenging a March 8, 2006 prison disciplinary proceeding and the resultant loss of ninety (90) days previously accrued good time credits. The disciplinary proceeding took place at the Clements Unit in Potter County, Texas. As of the date the instant habeas application was filed, petitioner was still incarcerated at the Clements Unit.

In order to challenge a prison disciplinary adjudication by way of a federal petition for a writ of habeas corpus, a petitioner must, at a minimum, be eligible for mandatory supervised release and have received a punishment sanction which included forfeiture of previously accrued good time credits. *See Malchi v. Thaler*, 211 F.3d 953, 958 (5<sup>th</sup> Cir. 2000). In his habeas form petition, petitioner advises he is in respondent's custody pursuant to two 1991 convictions for the first degree felony offense of murder out of Bowie County, Texas, for which he received two life

sentences. In his application, petitioner contends that, for his original convictions, there were findings that he used or exhibited a deadly weapon and that he is not eligible for mandatory supervised release. As petitioner is not eligible for mandatory supervised release, he is not entitled to any federal habeas corpus relief.

RECOMMENDATION

It is the RECOMMENDATION of the undersigned United States Magistrate Judge to the United States District Judge that the petition for a writ of habeas corpus filed by petitioner STEVEN ADKERSON a.k.a. STEVEN EARL ADKERSON be DENIED.

INSTRUCTIONS FOR SERVICE

The United States District Clerk is directed to send a file-marked copy of this Report and Recommendation to petitioner by the most efficient means available.

IT IS SO RECOMMENDED.
